

## The Venue: Australian Technology Park, Eveleigh

The Electronex Expo comprising trade exhibition and the Surface Mount 2010 conference will be held in Old Railway Locomotive Workshop in Locomotive Street, ATP which has been converted to a conference and exhibition centre as well as being home to a number of technology companies. Entrance is at Bay 4.

### How to get there:

By car/taxi: Only a few minutes drive from Sydney CBD and about 15 minutes from the airport. Travel along Botany Road and turn at Henderson Road

Parking: Undercover and outdoor parking is available at the venue.

By train: 8 minutes walk from Redfern Station

Accommodation: We would recommend staying in an inner city hotel and commuting by train or taxi. Some hotels are listed at <http://www.smcba.asn.au/accommodation2010.pdf>
